

## Continuing Competence Scheme

### What is it?

- There is now a requirement for a 2 yearly test to be completed in order to keep your technical competence active.
- It is a touch screen test completed at a number of locations around the Country.
- The test is made up of 26 questions. 20 of these are generic, whilst 6 are based on the qualification you have (e.g. landfill hazardous, transfer non-hazardous etc).

### How does it work?

- More details on the test can be found at [www.ciwm.co.uk](http://www.ciwm.co.uk) or [www.wamitab.org.uk](http://www.wamitab.org.uk)

### What is the course?

- A one day workshop to provide you with the information and knowledge to assist you in completing your test.
- It will include exercises and mock questions and you will receive a comprehensive revision pack.

### How much does it cost?

- £140 (plus VAT) to include the revision notes.

### Who is the Tutor?

- The course will be delivered by Nigel Mair. Nigel has over 15 years experience in education within waste, environmental and H&S management. He is a Chartered Waste Manager and Chartered Environmentalist and is a WAMITAB assessor and internal verifier. He delivers training for the CIWM on Site Waste Management Plans and the Environmental Permitting Operators Certificate (EPOC) and also writes the waste content for e-Croners.
