Waste Management Industry Training and Advisory Board

## CP2 - WAMITAB Level 2 Certificate in Cleaning Principles

### Who is it for?

This qualification has been designed for new entrants to the cleaning industry, Apprentices and experienced workers seeking a formal qualification. This qualification provides the knowledge component of the Cleansing Apprenticeship - the underpinning occupational knowledge units which the apprentice must attain.

### Can anyone do it?

There are no entry requirements for this qualification, though candidates will need to be employed in a suitable position, as it is assessed 'on-the-job'.

### What does it cover and how will I learn?

The qualification provides core knowledge and understanding relevant to the requirements of the industry. Candidates who complete this qualification will acquire the skills to enable them to work safely and effectively whilst providing cleaning and support services. It is assessed 'on-the-job' and learning will take place naturally as part of the normal working environment and routine.

### How will I be tested?

Assessment may vary depending on which WAMITAB Approved Centre you are enrolled with, but could include assignments, 'on-the-job' assessment, business cases, or exams. Please contact WAMITAB for further information.

### What next?

Candidates will be able to progress from this qualification to the WAMITAB Level 3 Certificate in Cleaning Support Supervision. This qualification will also enable candidates to widen and extend their job roles, or retrain to move into the cleaning sector.

WAMITAB has a national network of Approved Centres which are available to support you as you progress in employment and education.
