

"WAMITAB Caledonian Regional Centre".

WamCal Ltd incorporates the WAMITAB Caledonian Regional Centre. We are the largest WAMITAB Regional Centre in Scotland. All our assessors are very experienced both in the waste industry and in providing a tailored made service to our candidate's. We have assessor located throughout the UK. There will be one located near you, so please contact Darcy on 01382 477675 or darcy@wamcal.co.uk

- Our reputation for friendly, efficient and cost effective training and assessment is legendary, enabling our candidates to enjoy a smooth, swift progression through the assessment process.
- Being a WAMITAB/SQA Regional Assessment Centre means we are unsurpassed as a training and assessment provider for all waste management awards at levels 1 - 4.
- Over 600 successful candidates are glad they came to WamCal Ltd.
- Our customers include all the major Waste Management Companies, most Scottish Local Authorities, major Utility Companies, and hundreds of local Waste Management Companies.
- All our assessors are members of the Chartered Institution of Wastes Management.
- We also offer the CIWM Waste Awareness Certificate.
- Bespoke training courses can be created to meet your exact needs.
- We are a training provider member of the Energy & Utility Skills, the Sector Skills Council for Electric, Gas Waste Management and Water.
- Our associated consultancy business means all our assessors are at the cutting edge of newly introduced legislation and new waste management technologies.
